Mission & Vision

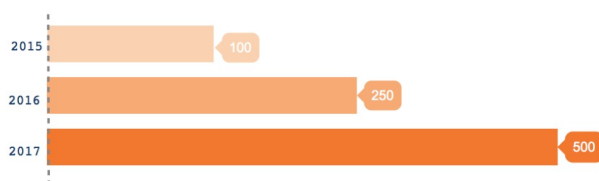

Our mission is to help talented young Asian professionals unlock their potential and become great leaders by providing them with mentoring opportunities, leadership training, and tools that foster and develop effective communication skills.

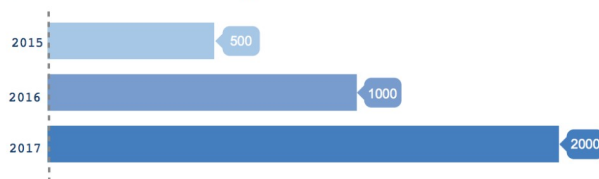

naisA Global is proud to be recognized as a Platinum-level GuideStar Exchange Participant, demonstrating our commitment to transparency. naisA Global shares information openly and completely on GuideStar, including our financial data.

Our Growth

► Our Global Mentors

► Our Global Protégés

Our Programs

Our programs were established in response to the critical lack of Asian leadership that exists nationally and globally. We provide an educational platform for emerging Asian professionals around the world, so they can learn, grow and develop in their careers.
